THE PILOT GOAL

TO CREATE IN VIRGINIA A PROGRAM THAT ACHIEVES OR SURPASSES THE SUCCESS OF THE NATIONAL SAFE FAMILIES FOR CHILDREN PROGRAM.

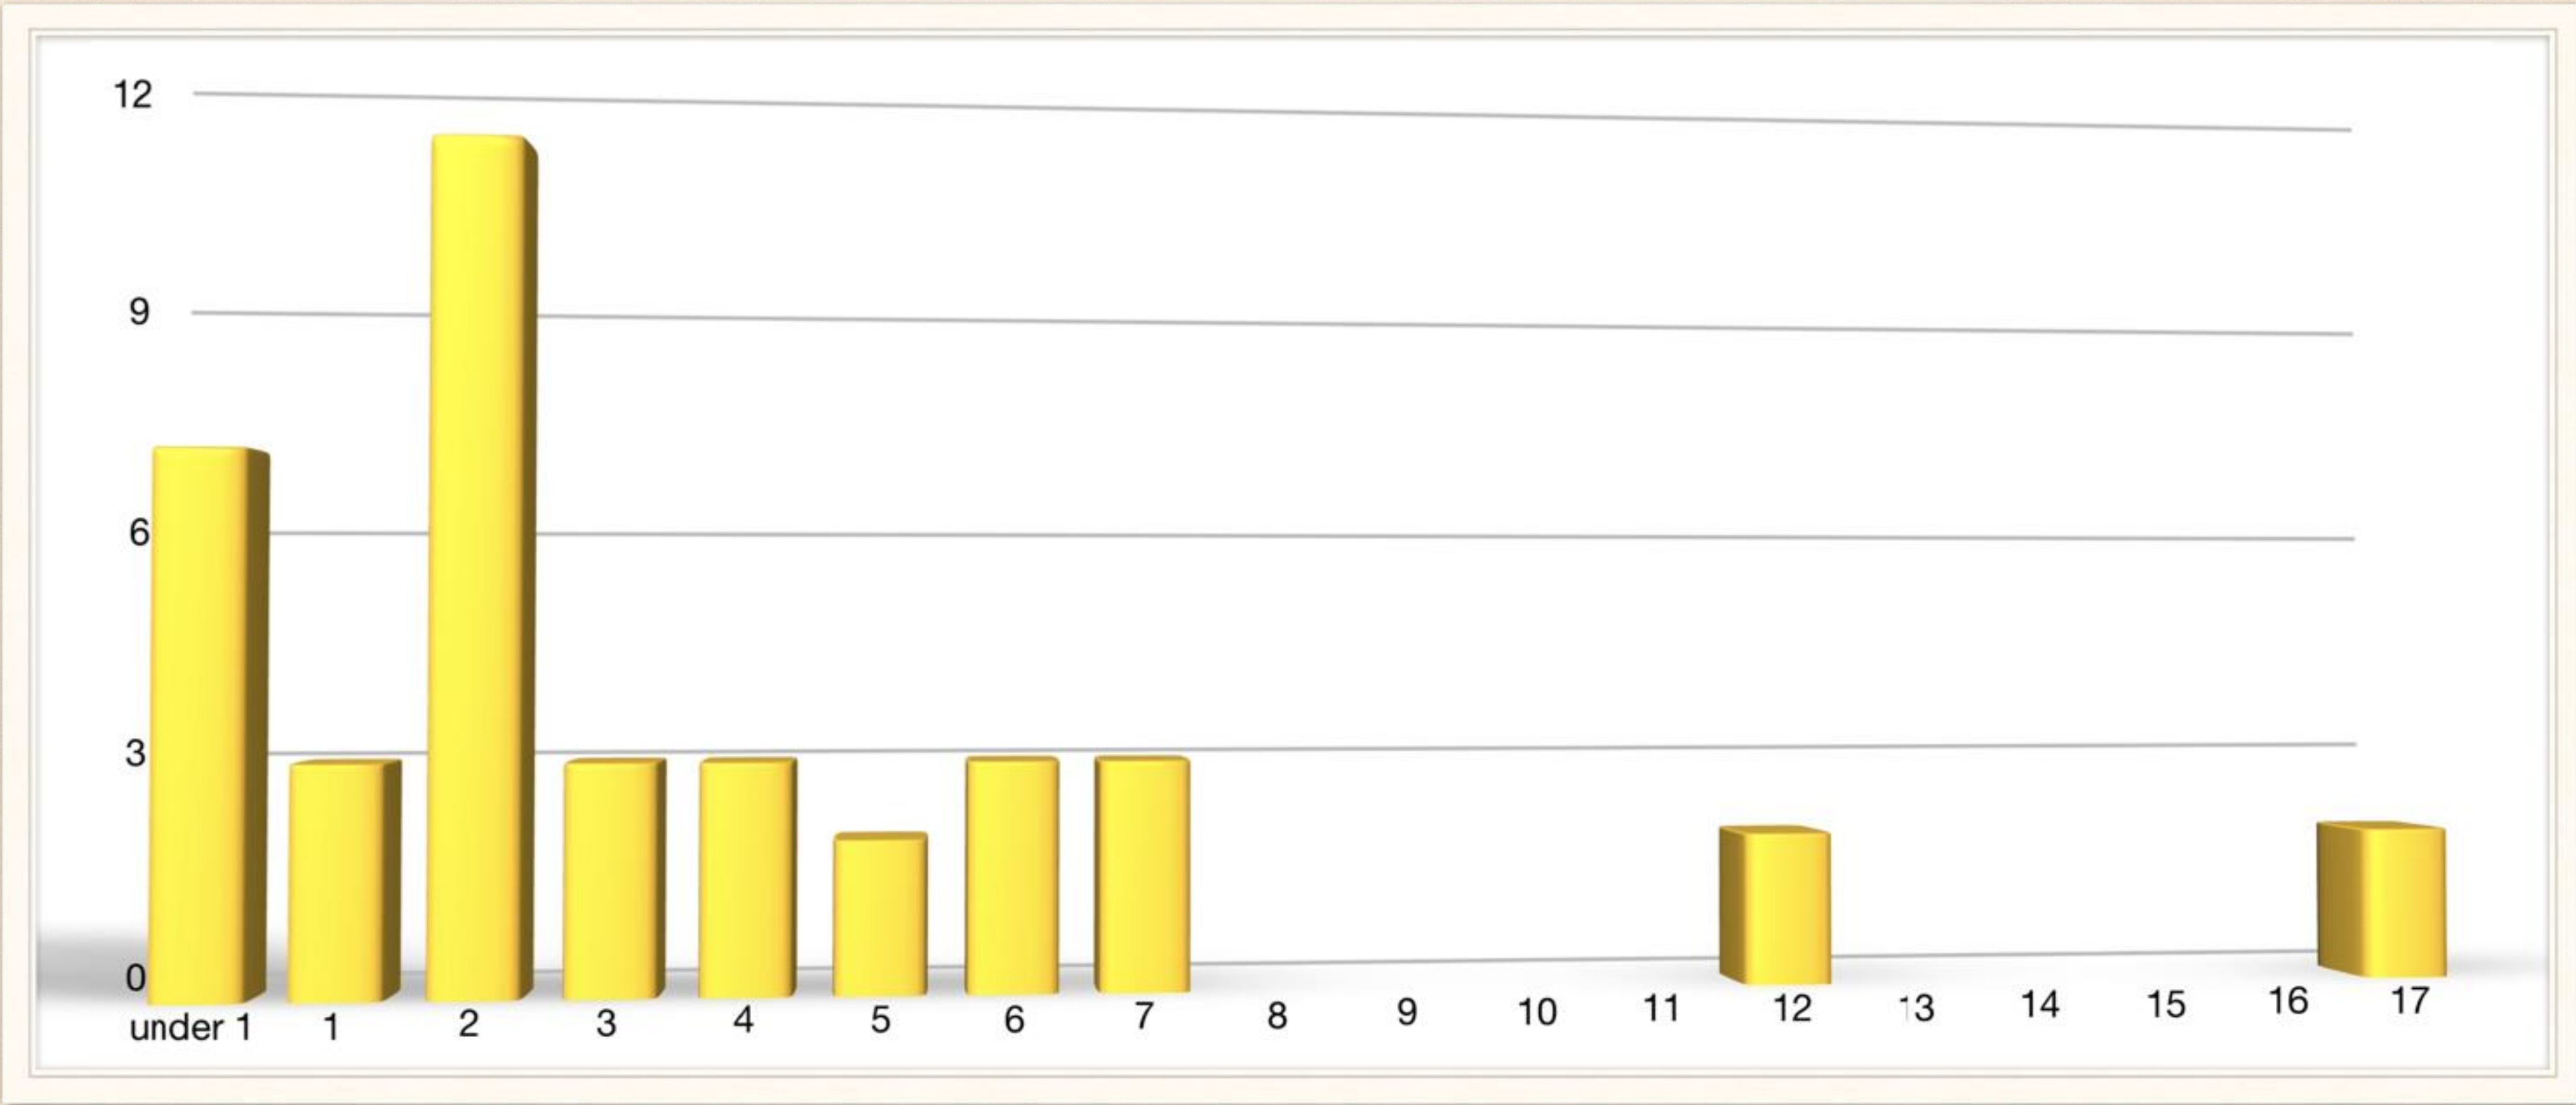

- Can we protect children and provide abuse prevention
- Can we provide parental support and family stabilization
- Can we provide prevention and deflection from foster care
- Can we create a partnership that engages both volunteers and agencies

OUR BIGGEST CHALLENGE

- Moving agencies and service providers to think prevention
- Creating new systems for onboarding organizations doing prevention
- Educating service providers of the importance of early intervention

KEYS TO SUCCESS HAVE BEEN

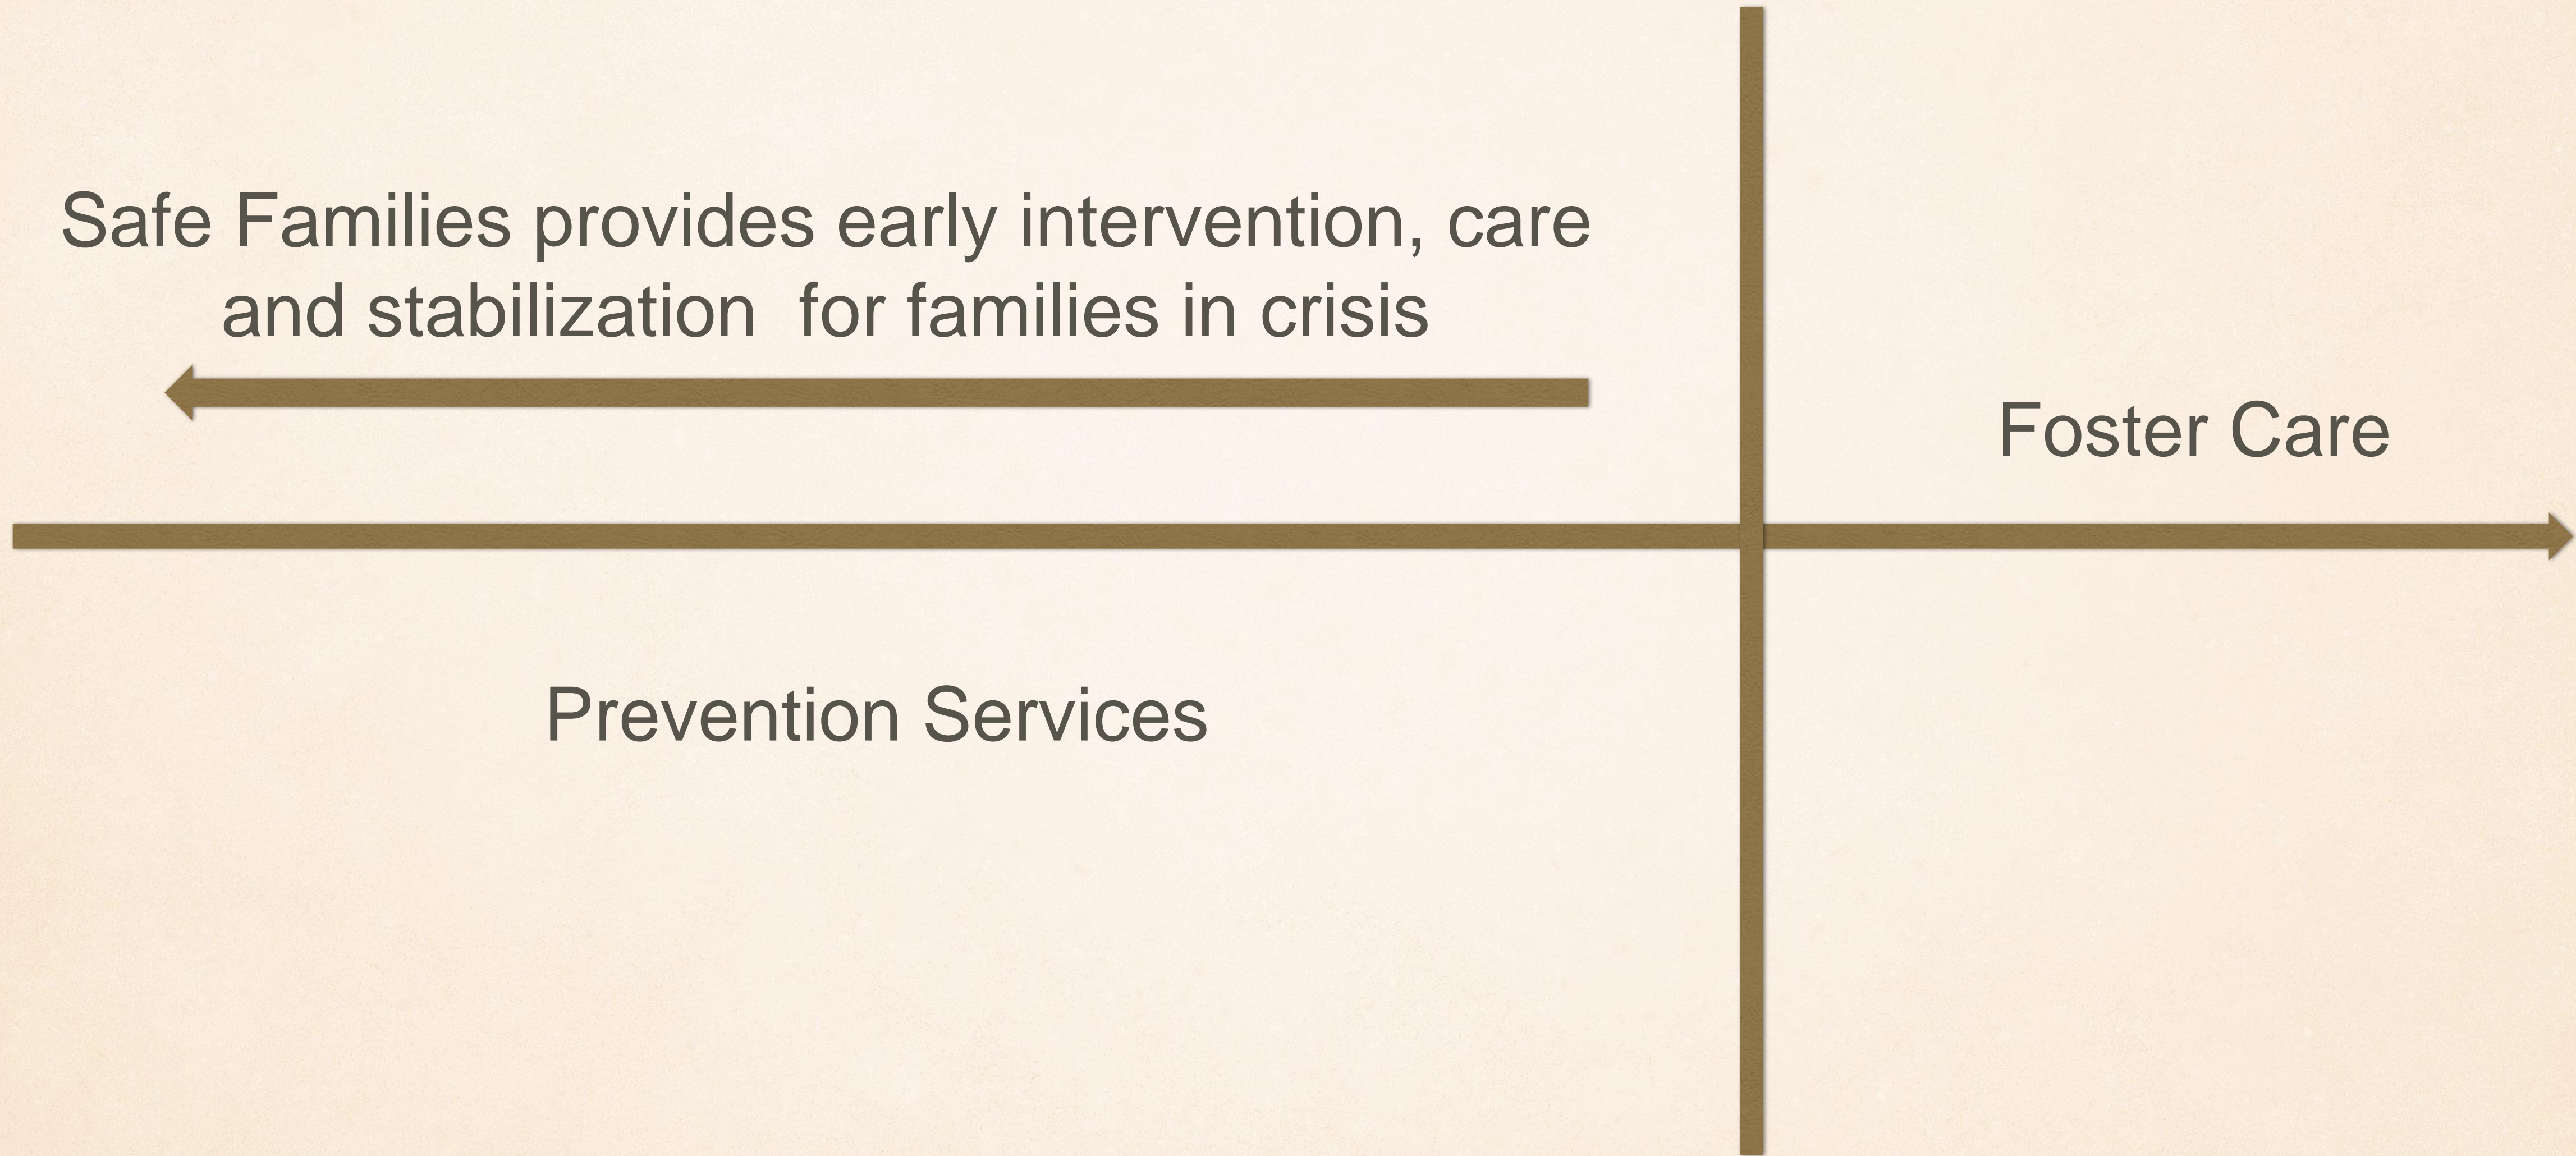

- Early intervention
- Parental partnerships for their success
- Ongoing support services
